

Lists of clusters/ schools for Mana Ake implementation

At the beginning of Term 2 (2018) the Ministry of Education invited all Christchurch and Kaikōura schools to take part in a Mana Ake online survey.

This survey was designed to help decide what sources of data should be used to identify the order that schools would be invited to take part in Mana Ake.

Feedback from the survey has informed the criteria for prioritisation of communities of practice, school clusters, Kāhui Ako or geographic clusters for the roll out of Mana Ake.

The first two Kāhui Ako [Tamai and Uru Mānuka] were chosen because they have significant diversity and provide an opportunity to improve equitable access to health support and services. The Uru Mānuka cluster of schools [Kāhui Ako] reflects the increased demand in the area following post-quake population movement.

Lessons from implementing Mana Ake in the first two Kāhui Ako are helping to inform how we can successfully roll out the programme in other schools.

Term 2, April 2019

- Tamai
 - Bamford School
 - Bromley School
 - Linwood Avenue School
 - Linwood College
 - Linwood North School
 - Tamariki School
