

# Do you want to make a difference to the hauora (health & wellbeing) of the Hurunui community?

You're invited to attend an:

## Information session with members of the Hurunui Health Services Development Group

to talk about creating a:

- community group; and a
- health and wellbeing provider group

If you provide a health and wellbeing service to your community, or you are a resident who is passionate about the region's health care services, you are encouraged to attend!

### Session times and locations during June 2021:
