LEADERSHIP TEAM
Provides leadership to the overarching direction of CCN's groups and focus the work of the programme team.

SUPPORT TEAM
Provides advice and guidance on the prioritisation and resourcing of proposals from groups before they go to the Leadership Team.

PROGRAMME TEAM
Coordinates the activity of the collaborative, providing day-to-day operational support.

SYSTEM INTEGRATION
Focus on areas that support integration across primary, secondary, and community-based services:

- Urgent Care SLC
- Integrated Respiratory SDG
- Integrated Diabetes SDG
- Management of Chronic Pain
- Shared Care Planning

POPULATION FOCUS
Work that focuses on populations rather than service disciplines:

- Population Health and Access SLC
- Health of Older People Workstream
- Child and Youth Health Workstream
- Mana Ake – Stronger for Tomorrow
- Te Tumu Waiora
- Rural Health (incorporating locality groups) Workstream
- Coordinated Access on Release SDG

EQUITY FOCUS
Work that is critical to progress equitable long-term outcomes for our priority populations:

- Partnership in Design framework
- Oral Health SDG
- Immunisation SLC
- Māori Caucus, Pacific Caucus and Consumer Forum

SUSTAINING ACCESS TO CARE
Activity that is critical to provide leadership to system flow and timely access to care:

- Urgent Care SLC
- Integrated Respiratory SDG
- Integrated Diabetes SDG
- Community Services SLC
- Population Health SLC
- Pharmacy Standing Orders
- Primary Care Taskforce

EQUITY AND SYSTEMS OUTCOMES
All CCN activity will prioritise equity and contribute to wider system goals and outcomes.
