

Karakia tīmatanga – to begin a hui

Me mahitahi mātou,
ka kōrero, ka whakarongo
kia atawhai, kia manaaki mō ngā whānau
me ngā hapori katoa.

Kei a rātou te tino rangatiratanga
i ō rātou hauora.

Kia pai te taha tinana, te taha wairua,
te taha whānau me te taha hinengaro hoki.

Haumi e. Hui e. Tāiki e!

We will work together and communicate with kindness and respect for the benefit of whānau in our community, so our people will have self-determination/autonomy over their health and wellbeing.
Unified, Together, Strong!
